Labor Compliance Program: Under the new contractor registration program, contractors must meet certain minimum requirements, register with DIR using the new online application system and pay an annual fee of \$300.00. Under the new contractor registration program, DIR (through the Labor Commissioner’s Office) will monitor and enforce prevailing wage laws. Therefore, all CMU or LCP requirements based on the funding source have been eliminated and replaced by requirements that apply to all public works projects as set forth in the Labor Code. No bid can be accepted nor any contract or subcontract entered into without proof that the contractor and all subcontractors are registered.

Project Labor Agreement: The District and/or its designee will be operating a Project Labor Agreement on this project. For questions or assistance concerning the Project Labor Agreement, contact Matt Moynihan with Employers Advocate at (925) 930-0014, mmoynihan@eainc.com or Norene Sakazaki with the Building Trades Council at 408-265-7643, norene@scbtc.org.

Pre-Qualification: Pre-qualification is a requirement for ALL contractors that will enter into a contract/agreement directly with East Side Union High School District. Pre-qualified contractors are not required to use pre-qualified sub-contractors. The District encourages the use of pre-qualified sub-contractors. Contractors may apply for pre-qualified status by obtaining a copy of the pre-qualification package from East Side Union High School District’s website. Pre-qualification packages must be received a minimum of ten (10) calendar days prior to bid opening, and contractors must be pre-qualified a minimum of five (5) calendar days prior to bid opening.
