## East Side Union High School District 2021-22 Second Interim Report

### **Executive Summary**

#### Introduction

The following Executive Summary is an overview of the financial data reported in the Standardized Account Code Structure (SACS) Second Interim Report. In addition, it summarizes changes and updates in budgetary information and forecast as a result of Board and State fiscal actions. It is provided to assist the reader in understanding the information being reported within the accompanying forms.

The next Board information session on the budget will be held on or before May 2022. At that time, the Governor's 2022-23 May Revisions to his January Proposal will be known.

### **State Budget Update**

The Second Interim Report for 2021-22 reflects activity through January 31, 2022. For 2021-22, the State's Adopted Budget provides a Proposition 98 guarantee of a record \$93.7 billion, an increase of only \$0.4 billion from 2020-21; however, this is an increase of \$14.4 billion from the 2019-20 fiscal year. The Governor's 2021-22 Budget continues to include funding to fully implement Local Control Funding Formula (LCFF).

The statutory cost-of-living (COLA) for 2021-22 is 5.07% which represents the 2021–22 statutory COLA of 1.70% plus an augmentation of 1.00%, compounded with the 2020–21 previously unfunded statutory COLA of 2.31%

The State Budget no longer includes a hold harmless provision for the purpose of calculating the apportionment in the 2021-22 fiscal year. At this writing, the Governor has proposed, and the California Legislature is discussing, funding solutions to the Average Daily Attendance (ADA) loss issue due to the coronavirus. This may result in a formula to average a 3-year history of ADA counts.

### ESUHSD 2021-22 Fiscal Overview

In June 2021, when the district adopted its 2021-22 multi-year budget, the District's budget was projecting a \$2.9 million deficit for the budget year and a \$44.7 million deficit in the 2022-23 fiscal year. In order to address the budget shortfall and provide a positive budget certification, the Board approved a resolution in June 2021 to reduce expenditures in 2022-23 by \$39.6 million. The expenditure reductions are planned as a Reductions in Force (RIF) which total 274 FTEs, and will be determined in November 2022 for the 2023-24 school year. The Board has resolved to perform the necessary layoffs by March 2023 to remain solvent.

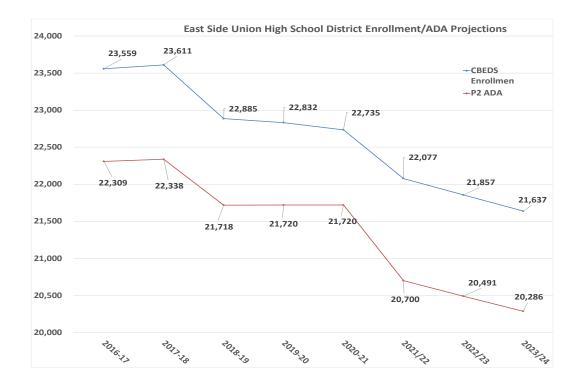

In December 2021, for the First Interim, the District was projecting a \$14.4 million deficit for the current fiscal year. The deficit spending at the Second Interim has now decreased to \$10.1 million. The decrease in the deficit spending can be attributed to the recognition of the Educator Effectiveness Block Grant (EEBG) and Special Education Funding for Dispute Resolution and Learning Recovery revenue.

#### **ESSER III Funds**

In response to the 2019 Novel Coronavirus (COVID-19) pandemic, the U.S. Congress passed the American Rescue Plan (ARP) Act, which was signed into law on March 11, 2021. This federal stimulus funding is the third act of federal of relief in response to COVID-19 in which the District received additional one-time ESSER (Elementary and Secondary School Emergency Relief) III Funds totaling \$25,613,101. The District's 45 Day Budget Update was presented to the Board in August, revising the unemployment benefit rate and reclassifying the ESSER III revenue as entitlement where the revenues are not recognized until the year the expenditures take place.

#### **Enrollment / ADA**

The adopted budget had projected an October CBEDS enrollment count of 21,981. At Second Interim the District's certified 2021-22 CBEDS enrollment increased by 96 students, up to 22,077 (excluding COE program students). Education Code provides financial safeguards for districts to be funded in the budget year at their higher P2 ADA level in the event a district's enrollment declines in consecutive years. Currently, we are experiencing a lower than average attendance rate (students not attending class) as a ratio to enrollment compared to past years. Our attendance rate at Week 26 of 2021-22 is 91.81%. Typically, we experienced a three-year 95.1% average attendance rate.

### **Deficit Spending**

This Second Interim budget report is projecting to deficit spend in 2021-22 by \$10.1 million despite the ability to leverage the one-time ESSER and other one-time funds. The significant deficit spending is now pushed to 2022-23 and projects to escalate if reductions are not made within the next year. Continued demands on the budget, which include higher pension costs for employees, increasing health and welfare benefit costs, declining enrollment, low attendance rates, higher special education and food services costs, will all continue to adversely impact the District's budget. The estimated deficit for 2022-23 fiscal year is projected to be \$28.5 million and for the 2023-24 year, a deficit of \$8.8 million is projected (even with the savings reduction-in-force resolution).

### **Revenue Summary**

The District's projected revenues at Second Interim total \$324.0 million which represents a \$5.4 million increase since the First Interim. The increased revenue is attributed to two sources. The first source is the recognition of the Educator Effectiveness Block Grant (EEBG) revenue. These restricted funds must be used in accordance with Assembly Bill 130, which provided for the allocation of Educator Effectiveness Funds to school districts to use to support the professional learning for certificated teachers, administrators, paraprofessional educators, and other

certificated staff. East Side Union High School District has been allocated \$4,134,035 for the EEBG. The EEBG plan was presented to the Board of Trustees and held for public hearing at the November 18, 2021, board meeting. The second source is attributed to Special Education Funding for Dispute Resolution and Learning Recovery. These funds were allocated to our SELPA and the distributed to the member Districts.

### **Local Control Funding Formula (LCFF)**

The enacted State Budget continues to fully implement the LCFF in 2021-22. The Local Control Funding model provides a base grant per pupil across the four grade spans (i.e. K-3, 4-6, 7-8, and 9-12). For ESUHSD, our 2021-22 combined base grants total \$11,034 per ADA. Included is also a 20% supplemental grant above the base for eligible students identified through an unduplicated count as Free & Reduced lunch eligible, English Language Learners, and Foster Youth. There is also an additional concentration grant for eligible students exceeding 55% of enrollment. At Second Interim, the District's estimated enrollment for targeted eligible students totals 48.57%, up slightly from the 47.76% estimated in the 2021-22 Adopted budget.

### **Expenditure Summary**

The projections reflected in this Second Interim Report are a result of the analysis of year-to-date expenditure projections against the adopted budget. This analysis included a review of all filled and vacant positions, and other staffing and benefit considerations within the district.

The District's projected expenses (not including Other Uses) at Second Interim total \$334.0 million and represent a \$1.6 million increase since the First Interim of \$332.4 million. However, expenditures compared to last year's unaudited actuals of \$288.7 million reflect a \$45.3 million swing directly related to the reopening of the schools, salary schedule enhancements, increased staffing, and the use of one-time funds. A summary of changes for specific expenditure categories for the Second Interim is presented in the following paragraphs.

### **Certificated and Classified Salaries**

There were no significant changes in variances within the expenditure categories for Certificated and Classified Salaries for the reporting period ending January 31, 2022. Certificated Salaries increased by \$300,000 due to additional hourly pay, 6th Period courses and other student supervision assignments. The only other minor changes were due primarily to projected savings from current unfilled positions, and other positions that have been reorganized.

### **Employee Benefits**

In the area of Employee Benefits, there was a slight decrease of \$300,000 since the First Interim. This decrease was mainly attributable to adjustments made for current unfilled positions.

### **Books, Supplies, and Contracted Services**

In the categories of Books and Supplies, and Operations and Contracted Services, increased \$1.6 million since budget adoption due to textbook purchases with restricted funds. Additionally, these areas are up over our historical trend due to COVID-19 PPE and testing costs and higher costs in Special Education Transportation.

### **Capital Outlay**

In the category of Capital Outlay, there was a decrease in planned expenditures bringing the new budget down to \$119,500 from \$174,370.

### Other Outgo

In the category of Other Outgo, there were Transfers Out totaling \$1,596,369. These transfers included a \$117,583 to the Cafeteria Fund and \$100,000 to the Dental Self-Insurance Fund. Due to mandatory changes in accounting methods for Medical Billing revenue, \$913,577 was transferred internally from a restricted resource to an unrestricted local resource, making the total of transfers \$1,596,369.

### **Ending Balance Summary**

At Second Interim, the District projects an ending fund balance of approximately \$52.8 million for FY 2021-22. This amount represents an increase of \$4,228,761 since the 2021-22 First Interim was presented, this is due to the new EEBG and SPED restricted funding described earlier.

The State requires a District our size to maintain an ending reserve equal to three percent of total expenditures and other uses. At Second Interim, the District's 3% reserve equals \$10.1 million.

### The district's components of the ending fund balance are as follows:

### **Components of Ending Fund Balance**

| Revolving Cash                      | \$<br>11,500     |

| Budget Balancing Reserve            | \$<br>30,703,555 |

### Total Ending Fund Balance \$ 52,847,425

#### **General Fund Restricted**

Legally restricted funds are monies received by the District that are categorical in nature, i.e., they can only be used for the purposes allowed by the funding agency. Restricted revenue funding is recognized in two ways: it is either recognized as deferred revenue, which means it is recognized as revenue once it is spent, or if received and not spent and has carry-over provisions, the funds are deferred until the next fiscal year. For funding subject to ending fund balance, the revenue is recognized in the year received and any funds remaining at the end of the year are recorded as a restricted ending balance. As of January 31, the projected restricted general fund carry-over is \$10.77 million.

#### Child Nutrition Fund 61/Other Funds

The District's cafeteria fund is projected to have a deficit of \$117,583. Additional governmental funding has kept the deficit reasonable, but the program may return to its higher pre-pandemic deficit in the future. The Governor has proposed a Universal Lunch program which could provide funding for two meals a day for every student. The details of the program are not available yet.

### Local Control Accountability Plan (LCAP) Budget

The Local Control Accountability Plan (LCAP) budget is provided in the District's unrestricted general fund. The District's LCAP budget provides supplemental services to the District's English Language Learners, Economically Disadvantaged, Migrant Education Students throughout the District, and Foster Youths. The Local Control Accountability Plan augments and provides supplemental support services for counseling, common core math, class size reduction, A-G Credit Recovery, and other programs and services. The LCFF (supplemental portion) revenue is projected to be \$21,179,154.

### **Multi-Year Financial Projection**

The 2021-22 Multi-Year Financial Projection (MYFP) at Second Interim reflects the District being able to maintain its 3% District mandated reserve in 2021-22 through FY 2023-24 after proposed reductions are made in 2022-23. The District's multi-year budget for 2021-22, the second year (2022-23) now projects a \$33.6 million deficit. In order to address the budget shortfall and to provide a positive budget forecast, the Board approved a resolution to reduce expenditures in 2022-23. The projected amount totals \$28.5 million. The planned reductions have already been adjusted in the District's budget forecast and would encompass a reduction in force (RIF) totaling 274 FTEs in 2023-24. This forecast does not include any future salary adjustments.

The multi-year projections are based on assumptions listed in this binder and include estimates for COLA, current bargained agreements, health and benefit increases, step and column adjustments, CalSTRS and CalPERS contribution rates increases, enrollment fluctuations, and other variables. Any salary adjustments yet to be negotiated are not factored at this time. All of this and any other changes in revenues and expenditures, will have an impact on the ending fund balance projected at this time. The Multi-Year Financial Projection assumes that the District will continue to operate in the same manner with all ongoing costs considerations currently in place. These include the costs of step and column adjustments, utilities and other ongoing expenditures such as encroachment from special education.

#### **Final Comments**

The recommendation to the Governing Board is to adopt a positive certification for the current fiscal period ending January 31, 2022. This certification reflects that the District will end this year and the next 2 years with a positive ending fund balance contingent upon Reduction in Force actions totaling \$24.8 million for the 2023-24 school year, which is less than the \$39.6 million in the adopted fiscal solvency resolution. However, this does not include any future salary adjustments.

The Governor is expected to release his 2022-23 May Budget Revision on May 10, 2022. Now that the LCFF has been fully implemented and the LCFF Gap has been eliminated, any revenue changes with LCFF will only be a factor of the State approved COLA and any new restricted categorical programs.

News coming out of Sacramento is encouraging for the 2022-23 fiscal year, however, the District continues to be plagued by increasing costs related to declining enrollment, increased STRS and PERS pension contributions, and increased special education and health benefits costs. It is estimated that the cost increases related to these items are growing at a faster rate than new revenues coming into the district. The District's Second Interim budget with proposed reductions in force leaves little margin for error or possible recession, therefore, the amount proposed for RIF could increase rapidly and reductions could be required more immediately as a result.

In summary, the District will continue to be proactive and vigilant in managing its fiscal resources while ensuring that our schools, teachers, staff, and students have the resources they need to maintain the excellent educational program the community has come to enjoy and respect. The District will work with its stakeholders to explore new cost savings strategies and revenue enhancement efforts to provide relief to the District's budget. The District is once again enjoying a year of welcomed collaboration with parents, staff, and the East Side community as we work together to strengthen our District.

On behalf of the Superintendent, a special thanks is extended to our Governing Board, Staff, Students, Parents and Stakeholders for their continued support!

#### Part I - General Administrative Share of Plant Services Costs

California's indirect cost plan allows that the general administrative costs in the indirect cost pool may include that portion of plant services costs (maintenance and operations costs and facilities rents and leases costs) attributable to the general administrative offices. The calculation of the plant services costs attributed to general administration and included in the pool is standardized and automated using the percentage of salaries and benefits relating to general administration as proxy for the percentage of square footage occu

### Part II - Adjustments for Employment Separation Costs

When an employee separates from service, the local educational agency (LEA) may incur costs associated with the separation in addition to the employee's regular salary and benefits for the final pay period. These additional costs can be categorized as "normal" or "abnormal or mass" separation costs.

Normal separation costs include items such as pay for accumulated unused leave or routine severance pay authorized by governing board policy. Normal separation costs are not allowable as direct costs to federal programs, but are allowable as indirect costs. State programs may have similar restrictions. Where federal or state program guidelines required that the LEA charge an employee's normal separation costs to an unrestricted resource rather than to the restricted program in which the employee worked, the LEA may identify and enter these costs on Line A for inclusion in the indirect cost pool.

Abnormal or mass separation costs are those costs resulting from actions taken by an LEA to influence employees to terminate their employment earlier than they normally would have. Abnormal or mass separation costs include retirement incentives such as a Golden Handshake or severance packages negotiated to effect termination. Abnormal or mass separation costs may not be charged to federal programs as either direct costs or indirect costs. Where an LEA paid abnormal or mass separation costs on behalf of positions in general administrative functions included in the indirect cost pool, the LEA must identify and enter these costs on Line B for exclusion from the pool.

#### **Normal Separation Costs (optional)**

Enter any normal separation costs paid on behalf of employees of restricted state or federal programs that were charged to an unrestricted resource (0000-1999) in funds 01, 09, and 62 with functions 1000-6999 or 8100-8400 rather than to the restricted program. These costs will be moved in Part III from base costs to the indirect cost pool. Retain supporting documentation.

#### **Abnormal or Mass Separation Costs (required)**

Enter any abnormal or mass separation costs paid on behalf of general administrative positions charged to unrestricted resources (0000-1999) in funds 01, 09, and 62 with functions 7200-7700. These costs will be moved in Part III from the indirect cost pool to base costs. If none, enter zero.

#### Part IV - Carry-forward Adjustment

The carry-forward adjustment is an after-the-fact adjustment for the difference between indirect costs recoverable using the indirect cost rate approved for use in a given year, and the actual indirect costs incurred in that year. The carry-forward adjustment eliminates the need for LEAs to file amended federal reports when their actual indirect costs vary from the estimated indirect costs on which the approved rate was based.

Where the ratio of indirect costs incurred in the current year is less than the estimated ratio of indirect costs on which the approved rate for use in the current year was based, the carry-forward adjustment is limited by using either the approved rate times current year base costs, or the highest rate actually used to recover costs from any program times current year base costs, if the highest rate used was less than the approved rate. Rates used to recover costs from programs are displayed in Exhibit A.

#### **CRITERION: Facilities Maintenance**

STANDARD: Identify changes that have occurred since first interim projections in the projected contributions for facilities maintenance funding as required pursuant to Education Code Section 17070.75, or in how the district is providing adequately to preserve the functionality of its facilities for their normal life in accordance with Education Code sections 52060(d)(1) and 17002(d)(1).

Determining the District's Compliance with the Contribution Requirement for EC Section 17070.75 - Ongoing and Major Maintenance/Restricted Maintenance Account (OMMA/RMA)

NOTE: EC Section 17070.75 requires the district to deposit into the account a minimum amount equal to or greater than three percent of the total general fund expenditures and other financing uses for that fiscal year. Per SB 98 and SB 820 of 2020, resources 3210, 3215, 3220, 5316, 7027, 7420, and 7690 are excluded from the total general fund expenditures calculation.

1 Available reserves are the unrestricted amounts in the Stabilization Arrangements, Reserve for Economic Uncertainties, and Unassigned/Unappropriated accounts in the General Fund and the Special Reserve Fund for Other Than Capital Outlay Projects. Available reserves will be reduced by any negative ending balances in restricted resources in the General Fund.

2A school district that is the Administrative Unit of a Special Education Local Plan Area (SELPA) may exclude from its expenditures the distribution of funds to its participating members.

## S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since first interim projections, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues and explain how these commitments will be funded in future fiscal years.

#### If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent
