

Preparing every student to thrive in a global society.

March 25, 2021

Dear East Side Employees,

As the fifth day of bargaining closed, we had only two more articles remaining to negotiate. ESUHSD and ESTA have got down to some of the more difficult topics and both sides are working together to find a much desired middle ground. The group will meet one more time before the Spring Break in April. Thank you all for your support in reaching an equitable contract this year.
