

Preparing every student to thrive in a global society.

May 18, 2015

Dear Friends of East Side Union High School District,

On May 18, 2015, the teacher's union (ESTA) and the District continued negotiations. The teams have reached a tentative two-year agreement on Article 15, Class Size.

**For the 2015-2016 school year class size increase will be (1) student in all subject areas at all sites in all comprehensive and alternative settings. The District will make every effort to ensure that no single class will be over-enrolled by more than one (1) student.**

**For the 2016-2017 school year class size will be fully restored with no additional increases.**

**This two-year tentative agreement effectively eliminates the additional three student class size increases in all subject areas at all sites in all comprehensive and alternative settings by 2016-2017.**

The next bargaining session is scheduled for June 3, 2015.
