### **School Description**

Silver Creek High School opened its doors to students in September 1969 to serve the growing population of the Evergreen Valley area of Southeast San Jose. Since then the school has flourished to more than 2,500 students that receive equal access to a quality education in a safe, healthy, challenging and caring environment. The fact that we serve a culturally, academically and economically diverse community, is what makes Silver Creek such a unique and stellar high school.

To address the diversified needs of our student body, we offer numerous Advanced Placement and advanced courses to meet the needs of our students seeking a greater challenge, as well as support classes for the students that require additional academic assistance. Due to the success of our 180 Degrees Program, we have expanded it to include a freshman and two sophomore level classes, and we expanded our AVID program to help move the students in a positive direction. We also have a large selection of unique classes not offered at most other high schools, such as Forensic Science, Japanese, Philosophy and Law & Society.

With the support of our community we have also modernized our campus, for the benefit of our students and community. Four years ago we opened a state of the art theater/performing arts building, which has brought the focus for students activities back to the center of campus. The improvements also included our athletic facilities, so that our scholar athletes have the best possible facilities at their disposal. Three years ago we were able to install stadium lights, which has helped to create a true community event where the neighborhood can come together on Friday Nights. We have modernized our aquatic facilities as we have built a super pool that will allow us to host water polo matches. We have also enhanced our common areas to include landscaping and updated seating.

The ultimate goal with the support of all of our stakeholders, is to ensure that every single student is empowered to become an Academic Achiever, a Critical Thinker and an Effective Communicator who interacts cooperatively as a socially responsible citizen in a multicultural and technical world. By exposing each student to a rigorous curriculum in a supportive academic setting, our graduates are ultimately prepared for college, the work place and beyond. We are furthering this work with the implementation of the common core state standards, so that through collaboration and creativity we are graduating self-sufficient innovative thinkers. We have also established a safety net for all of our incoming ninth graders, by implementing Linked Learning which is a comprehensive program that helps them with the transition to high school by pairing up the ninth graders with upper class mentors.

### **About the SARC**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2016-17 Student Enrollment by Grade Level					
Grade Level Number of Students					
Grade 9	631				
Grade 10	635				
Grade 11	653				
Grade 12	579				
Total Enrollment	2,498				

2016-17 Student Enrollment by Group					
Group Percent of Total Enrollment					
Black or African American	2.2				
American Indian or Alaska Native	0.2				
Asian	47				
Filipino	10.2				
Hispanic or Latino	34.5				
Native Hawaiian or Pacific Islander	0.8				
White	4.2				
Two or More Races	0.8				
Socioeconomically Disadvantaged	43.7				
English Learners	11.6				
Students with Disabilities	7.3				
Foster Youth	0.1				

### A. Conditions of Learning

### **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials							
Silver Creek High School	15-16	16-17	17-18				
With Full Credential	93	95.8	93.6				
Without Full Credential	7	6.8	5.6				
Teaching Outside Subject Area of Competence	0	0	0				
East Side Union High School District	15-16	16-17	17-18				
With Full Credential	•	<b>*</b>	961.4				
Without Full Credential	•	<b>*</b>	48.2				
Teaching Outside Subject Area of Competence	•	<b>+</b>	0				

Teacher Misassignments and Vacant Teacher Positions at this School						
Silver Creek High School	15-16	16-17	17-18			
Teachers of English Learners	2	0	0			
Total Teacher Misassignments	2	0	0			
Vacant Teacher Positions	3	1	4			

<sup>\* &</sup>quot;Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### School Facility Conditions and Planned Improvements (Most Recent Year)

With the support of the district, the Silver Creek High School makes every effort to ensure that all facilities are clean, safe, and functional. These priorities are reviewed in meetings with various parent groups, including but not limited to the PTSA, African American Parents Group, Latino Parents Group, Vietnamese Parent Group, and School Site Council. The school site works hard to ensure all current facilities are functional with supplies fi daily or when needed. The administrative team along with all the custodial staff strive to ensure that all facilities are cleaned and serviced daily or when needed. With what money is left from Measure E, and the addition of Measure I, Silver Creek High School is eagerly waiting for several big projects to further enhance our school. These facilities include: Additional restrooms and concessions stands surrounding the Football Field, a modern physical education building, and landscaping for key areas on campus.

	Facility Good Repair			
System Inspected	Good	Repair Status Fair	Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X	Tan	1 001	Bld A Library: Ceiling tiles, some outlets not working and a/c sometimes does not work Bld Q Locker Rm Girls: a/c fan not working, dirty walls, evidence of mice Site to submit work order.

Overall Rating	Exemplary	Good	Fair	Poor		
		Х			7	

### **B. Pupil Outcomes**

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students							
	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)						
Subject	Sch	ool	Dist	District		ite	
	15-16	16-17	15-16 16-17		15-16	16-17	
ELA	69	74	61	63	48	48	
Math	48	53	38	39	36	37	

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students										
Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)										
Subject	Sch	ool	District State					District		ate
	14-15	15-16	14-15	15-16	14-15	15-16				
Science	52	60	50	49	60	56				

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade	2016-17 Percent o	f Students Meeting	dents Meeting Fitness Standards			
Level 4 of 6 5 of 6 6 of						
9	15.9	27.8	43.8			

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)							
	Number o	f Students	Percent of Students				
Group	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced			
All Students	678	630	92.9	59.7			
Male	368	339	92.1	58.4			
Female	310	291	93.9	61.2			
Black or African American	20	17	85.0	29.4			
Asian	325	315	96.9	69.2			
Filipino	69	68	98.6	73.5			
Hispanic or Latino	221	193	87.3	39.9			
White	32	28	87.5	75.0			
Socioeconomically Disadvantaged	312	279	89.4	49.5			
English Learners	90	79	87.8	11.4			
Students with Disabilities	44	27	61.4	14.8			

<sup>\*</sup> Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

# School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)

Disaggregated by Student Groups, Grades Three through Eight and Eleven						
Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded		
All Students	642	624	97.2	73.88		
Male	340	331	97.35	71.6		
Female	302	293	97.02	76.45		
Black or African American	18	18	100	50		
American Indian or Alaska Native						
Asian	326	324	99.39	83.64		
Filipino	60	60	100	80		
Hispanic or Latino	194	179	92.27	54.75		
Native Hawaiian or Pacific Islander						
White	28	28	100	82.14		
Two or More Races						
Socioeconomically Disadvantaged	261	249	95.4	65.06		
English Learners	119	114	95.8	37.72		
Students with Disabilities	42	37	88.1	10.81		
Students Receiving Migrant Education Services						

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

#### School Year 2016-17 CAASPP Assessment Results - Mathematics Disaggregated by Student Groups, Grades Three through Eight and Eleven Number Total Percent Percent **Student Group Enrollment** Tested Tested Met or Exceeded 52.84 **All Students** 642 617 96.11 Male 340 328 96.47 54.88 Female 302 289 95.7 50.52 **Black or African American** 18 16 88.89 25 American Indian or Alaska Native Asian 326 322 98.77 72.36 Filipino 60 60 100 48.33 194 177 **Hispanic or Latino** 91.24 20.34 **Native Hawaiian or Pacific Islander** \_\_ \_\_ White 28 27 96.43 51.85 Two or More Races \_\_ --Socioeconomically Disadvantaged 261 248 95.02 44.35 **English Learners** 119 115 96.64 29.57 Students with Disabilities 42 35 83.33 5.71

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

--

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### C. Engagement

### State Priority: Parental Involvement

**Students Receiving Migrant Education Services** 

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (School Year 2017-18)

One of the greatest strengths of Silver Creek is the outstanding support and involvement of parents. Silver Creek parents serve as elected members of the School Site Council (SSC) and the English Language Advisory Council (ELAC). Both council meetings are open to all parents and the public.

In addition to serving on the SSC and ELAC, many parents are also involved in our Athletic Booster club, School Beautification Group, Latino Parents in Action, African American Parent Coalition, Vietnamese Parent Group and the Silver Creek Parent Teacher Student Association (PTSA). Our PTSA works tirelessly to support and meet the needs of our students and school in general. Through major fundraising, they have been able to fund some technology, projects to beautify our campus, help with new teacher grants, help with middle school visits, positive publicity and every year they honor graduating seniors with the PTSA Scholarship.

Silver Creek strongly encourages parent and community involvement and frequently informs families about school issues as well as community services and resources. Information concerning attendance, school calendars, and testing dates are regularly mailed home to parents. Information regarding school events, updates from other parent organizations, as well as college and community information is posted regularly on Silver Creek's website and sent home via School Loop. The school website also provides access to a wealth of information concerning school activities and programs. Teachers can post homework assignments, grades and attendance via School Loop, allowing parents and students greater access to information.

To support our parents, Silver Creek hosts a variety of parent information nights, such as Financial Aid night, Freshman Parent Orientation and meet and great with the administration and teaching staff. Two years ago we were able to open up a Parent Center, with a full time Parent and Community Involvement Specialist whose focus is to be an advocate for all the parents and provide whatever resource they might need.

To obtain more information or to participate in any of these programs please call Ms. Elizabeth Cabrera, at 408-347-5631.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### **School Safety Plan**

As with all schools within the East Side Union High School District, Silver Creek has an annually updated comprehensive safety plan, that includes processes and procedures of campus safety, as well as rules and guidelines for times of emergency. Every year the Safety Plan is reassessed, modified, updated, and presented to School Site Council which consist of parents, students, teachers, and administrators. The School Safety Goals are also presented to the same committee, approved and passed on to the School Board of Trustees for the final approval A The safety goals assessment was submitted ti SSC ob 8/31/17 and the Safety Goals Assessment meeting was held on 10/25/17. The plan is utilized in our evacuation, lock down, run, hide, defend, fire, and earthquake drills every year. The Associate Principal (APA), Advisors, and Campus Monitor meet once a week. And the Associate Principal (APA) and the safety team meet twice a semester. The main goal of the meetings are to assess and review any protocols that need updating.

Suspensions and Expulsions				
School	2014-15	2015-16	2016-17	
Suspensions Rate	1.7	2.6	3.1

Social Science	32	28	28	8	13	14	10	38	59	52	31	9

<sup>\*</sup> Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

### **Professional Development provided for Teachers**

Staff members build teaching skills throughout the year by participating in conferences and workshops and professional site based development. For Silver Creek High School we offer teachers the opportunity during minimum days to interact with colleagues during departmental meetings and participate in our onsite professional development. Our focus for Professional Development has been on Common Core Standards and Smarter Balance Assessments. In an effort to help the majority of teachers with their specific needs, the Professional Development Team has developed different strands with different modules that teachers can sign up to attend during our collaboration time. The District Office has annually offered staff development time where teachers are offered broad-based variety of professional growth opportunities in curriculum, teaching strategies and methodologies. Two years ago two instructional coaches were funded at SCHS, to help teachers reflect on best practices and continue to grow professionally. Plus this year our new teachers are able to clear their credential through the instructional coaches.

FY 2015-16 Teacher and Administrative Salaries				
Category	District Amount	State Average for Districts In Same Category		
Beginning Teacher Salary	\$54,131	\$50,221		
Mid-Range Teacher Salary	\$88,881	\$83,072		
Highest Teacher Salary	\$109,686	\$104,882		
Average Principal Salary (ES)				
Average Principal Salary (MS)		\$128,094		
Average Principal Salary (HS)	\$145,985	\$146,114		
Superintendent Salary	\$273,721	\$226,121

### **Types of Services Funded**

SCHS Categorical funds are used to supplement the services that our students are receiving, especially our neediest students. One of the greatest needs that was identified was the lack of sufficient academic counselors, so were able to fund an additional general academic counselor in order to decrease the student to counselor ratio. Some groups that we identified as needing additional resources are our English Language Learner students, foster youth, and homeless student, therefore we have funded a counselor to work specifically and case manage these students. Another area of focus is to help move all the students and teacher further along in the implementation of the Common Core State Standards. We are infusing more technology in the classroom, by purchasing class sets of readers/tablets, so that both the students and teachers are becoming more comfortable with the use of technology in the classroom that will be required with the implementation of the Common Core State Standards. Additionally, categorical funds are being used to improve the communication with all of our stakeholders, by funding personnel that are translating all communication going home both in Spanish and Vietnamese.

SCHS was fortunate enough to receive an ASSETs (After School Safety and Enrichment for Teens Program) Grant sponsored by Goodwill, which will give us \$250,000 a year for the following two years. These funds are being used to have credit recovery programs, homework centers and enrichment programs all within the safe confines of our school campus. This has not only established a safer learning environment for students after school hours, but it has also improved school spirit by increasing participation in extracurricular activities. In addition to this grant, categorical funds are also used to continue the funding of tutoring services for key subjects such as mathematics and science. Another area of focus is the increased support offered for students needing mental health services by funding a full time social worker to coordinate our services that are offered to our students in our Student Support Center. Ultimately, the overall focus with this additional funding is to provide a safe learning environment, by meeting all the different needs of our diverse student body population. For the benefit of the students we are also funding a New Teachers Academy and Collaborative Rounds where the teachers can provide peer review by observing each other. The overall goal is to provide the most qualified teachers for all of our students.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)					
Silver Creek High School	2013-14	2014-15	2015-16		
Dropout Rate	8.1	11.3	7.7		
Graduation Rate	88.44	87.1	89.15		
East Side Union High School District	2013-14	2014-15	2015-16

Students with Disabilities	83.27	79.67	85.45
Foster Youth	50	39.02	68.19

### **Career Technical Education Programs**

We offer magnet strands in Forensic Science and Business. Additionally, we offer the following CTE courses: Marketing, Computer Information Technology, Introduction to Business, Web Design, Economics of Business Ownership and Work Experience. Many of our classes articulate for college credit at Mission, San Jose City and Evergreen Valley Colleges. We are affiliated with NFTE (Network for Teaching Entrepreneurship), and in the last four years our students have competed in the national finals. Five years ago our student placed second in the national competition and was one of five students to meet the President of the United States in the Oval Office. Also, four years ago we implemented a Linked Learning Pathway, with the focus on not only getting more students to take AP Computer Science or AP Computer Science Principles, but also to provide opportunities for our students with work with professionals in industry.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
