About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

The District makes every effort to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school site and at the district office.

Cleaning Process and Schedule

The District's Board of Trustees has adopted cleaning standards for all schools. Oak Grove's administration works routinely with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floors systems.

Age Of School Buildings

Oak Grove opened its doors in 1968. Now, more than 50 years later, over 90% of our classrooms have been renovated to meet the high standards of our community.

Modernization Projects

Recently completed projects include the upgrade to our school security cameras, fencing around the perimeter of the school, and the modernization of the student restrooms in the H1 and H2 buildings. The library was also modernized to include additional windows to allow for more light and the interior is designed in such a way to promote community and togetherness. The entry to campus from the student parking lot also underwent a complete transformation. Currently, the R building is under construction to create a large meeting space for student groups and activities.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

It is the goal of Oak Grove High School that students will graduate ready for college and 21st Century Careers. The school is aware that students are more likely to be successful if families and educators are informed and work together. To that end, the school promises to:

- Assist parents in understanding academic content and achievement standards and assessments.
- Provide parents with materials and training to help them regularly monitor and improve the achievement of their children.
- Coordinate and integrate parental involvement with other programs and conduct activities that encourage and support parents in more fully participating in the education of their children.
- Distribute information related to school and parent programs of upcoming academic and informational events.

Numerous opportunities are available for parents to become active participants at the school site. Please visit our website for meeting dates and locations. We encourage and welcome you to participate in one or more of the following committees:

- African American Parent Association Ms. Lucero Cesena (408) 347-6556
- Band Boosters Mr. Chris Moura (408) 347-6674
- Comité de Padres Latinos Ms. Lucero Cesena (408) 347-6556

- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Oak Grove has a very detailed, comprehensive safety plan that outlines protocols, systems, and procedures in the event of any/all emergencies. This plan also contains the yearly safety goals as determined by the students, staff, and parents. The Safety Plan is developed by the Oak Grove Safety Committee and reviewed by the School Site Council and District Safety Committee before it is presented to the East Side Union High School District Board of Trustees for adoption. The Safety Plan and drill procedures are reviewed and practiced during the year with all staff. Safety alerts are shared with all staff as needed throughout the school year. In addition, all required drills are calendared, completed, and evaluated with the results being communicated to all staff and parents in the medium of the the school website and via email from an administrator.

The Oak Grove High School Site Safety Plan has (a) comprehensive, enforceable, and consistent goals:

- Ensure each student has a respectful, accepting and emotionally nurturing environment
- Ensure the faculty is prepared in the event of a disaster or an intruder on campus
- Ensure facilities are safe and clean, where our students can learn and thrive

As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	33	33	32

Professional development opportunities for staff members are directly linked to school and WASC goals. Our school has a coherent, comprehensive plan for professional development that is data driven and directly linked to teaching and learning. Not only do teachers and staff participate in staff development opportunities at the school, but they also take advantage of multiple professional development opportunities at the District or through attendance at local education conferences and workshops. Induction meetings and instructional coaching support new teachers. The school and district has created and successfully implemented a collaboration model for professional development. School wide and departmental meetings are held weekly for up to three hours on Wednesdays (if school is in session) so teachers can continue to work on professional development to support school-wide efforts to align curriculum with school and district goals.

Professional development is personalized to address the needs of all subject-area teachers, staff, and administrators. Not only do professional development activities for teachers reflect a best practices approach, but they also align with the California Standards for the Teaching Profession.
