School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

Alpha: Cindy Avitia High School is a small, safe and tuition-free community school that opened its doors to its first class of 9th graders in the summer of 2015. Led by Principal Jorge Arellano and a team of dedicated and skilled teachers, Alpha: Cindy Avitia prepares all students for college with the knowledge, skills, and self-discipline needed to succeed. Further, Alpha also supports families through every step of the college process to ensure students successfully apply to, enroll, and succeed throughout college.

We are honored to name Alpha's first high school in honor of Alpha's first board president, Cindy Avitia. Born and raised in East San Jose, Cindy served her community as an activist across many issues, a social and civil rights advocate, and an immigration attorney. Alpha is honored to memorialize Cindy, her commitment to empowering her community, and the spirit of service she embodied.

School Description and Mission Statement (School Year 2019–20)

Alpha: Cindy Avitia High School is a small, safe and tuition-free community school that opened its doors to its first class of 9th graders in the summer of 2015. Led by Principal Jorge Arellano and a team of dedicated and skilled teachers, Alpha: Cindy Avitia prepares all students for college with the knowledge, skills, and selfdiscipline needed to succeed. Further, Alpha also supports families through every step of the college process to ensure students successfully apply to, enroll, and succeed throughout college. We are honored to name Alpha's first high school in honor of Alpha's first board president, Cindy Avitia. Born and raised in East San Jose, Cindy served her community as an activist across many issues, a social and civil rights advocate, and an immigration attorney. Alpha is honored to memorialize Cindy, her commitment to empowering her community, and the spirit of service she embodied.

The mission of Alpha Cindy Avitia High School is to provide children from high-poverty communities an education that effectively develops the academic skills and competencies of character to overcome the achievement gap, graduate from college, and become self-reliant and productive leaders. Alpha Cindy Avitia High School will eliminate the achievement gap by inspiring thousands of children from traditionally underserved communities to become self-motivated, competent, and lifelong learners who graduate from college and serve as leaders and role models for their families and communities.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAS] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017—18	School 2018—19	District 2017—18	District 2018—19	State 2017—18	State 2018—19
English Language Arts / Literacy (grades 3-8 and 11)	67.03%	57.89%	61.29%	62.25%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	48.89%	36.84%	39.96%	41.75%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019–20)

At CAHS, family involvement is an important component of our success as a school. In addition to the school site council, families are involved in a wide variety of ways, including: Parent conferences, Volunteer opportunities: Bi-monthly community meetings include parent education topics such as college application process, bullying, and helping with student work; Monthly coffee/cafecitos with school leaders are opportunities for families to discuss a range of topics in support of their children. Online parent portal for families to access student attendance and grades in real-time; A parent mobile application that contains a range of relevant information and resources, including calendar, announcements, connections to the parent portal, and handbooks. Regular phone calls by teacher advisors to their students; Family conferences three times a year that are student-led; Family survey two times a year; Alpha Board meetings are open to the public, and parents are encouraged to attend. In addition, CAHS has a Parent Learning Center, managed by our Parent Learning Center Manager, that identifies and facilitates various initiatives to support our family community and help minimize the barriers that families face in supporting their students
