2019–2020 School Accountability Report Card

School Accountability Report Card

Reported Using Data from the 2019–2020 School Year

Translation Disclaimo

California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <u>https://dq.cde.ca.gov/dataquest/</u> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <u>https://www.caschooldashboard.org/</u> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

About Our School

Alpha: Cindy Avitia High School is a small, safe and tuition-free community school that opened its doors to its first class of 9th graders in the summer of 2015. Led by Principal Jorge Arellano and a team of dedicated and skilled teachers, Alpha: Cindy Avitia prepares all students for college with the knowledge, skills, and self-discipline needed to succeed. Further, Alpha also supports families through every step of the college process to ensure students successfully apply to, enroll, and succeed throughout college.

We are honored to name Alpha's first high school in honor of Alpha's first board president, Cindy Avitia. Born and raised in East San Jose, Cindy served her community as an activist across many issues, a social and civil rights advocate, and an immigration attorney. Alpha is honored to memorialize Cindy, her commitment to empowering her community, and the spirit of service she embodied.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	36.84%	N/A	41.75%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Opportunities for Parental Involvement (School Year 2020–2021)

At ACAHS, family involvement is an important component of our success as a school. In addition to the school site council, families are involved in a wide variety of ways, including:

Parent conferences

Volunteer opportunities

Bi-monthly community meetings include parent education topics such as college application process, bullying, and helping with student work;

Monthly coffee/cafecitos with school leaders are opportunities for families to discuss a range of topics in support of their children.

Online parent portal for families to access student attendance and grades in real-time;

A parent mobile application that contains a range of relevant information and resources, including calendar, announcements, connections to the parent portal, and handbooks.

Regular phone calls by teacher advisors to their students;

Family conferences three times a year that are student-led;

Family survey two times a year;

Alpha Board meetings are open to the public, and parents are encouraged to attend.

In addition, ACAHS has a Parent Learning Center, managed by our Parent Learning Center Manager, that identifies and facilitates various initiatives to support our family community and help minimize the barriers that families face in supporting their students.

School Safety Plan (School Year 2020–2021)

A healthy and safe environment is imperative to productive teaching and learning. Alpha has adopted and implemented a comprehensive set of health, safety, and risk management policies. These policies are based on best practices provided by the California Department of Education, as well as county and local police department recommendations. These policies have been approved by Alpha's Board of Directors, are reviewed quarterly, and are updated as required in response to any change in conditions or operations that may affect the health and safety of students and staff. The full safety plan is located on our website and at the link provided
